the purpose of this book is to explore and expand our cultural understanding in an attempt to improve cross cultural relations the authors experience when they studied and traveled abroad motivate them to write this book for the sake of cross cultural understanding subject in university most people with little cultural understanding struggle with the differences that experience relating to others from another culture deep inside many of us is a belief that relates to a person from another culture should be easy when it is not easy and the differences are pronounced our reaction is often impatience and

even hostility however belittling another culture or considering them difficult or ridiculous is like the turtle with its hard shell looking at the humming birds with its long beak and tiny wings and calling the hummingbirds ridiculous for how fast it moves both the turtle and the hummingbird exist for very specific reasons and we would not be successful trying to force one to become like the other it is better to seek our cultural differences at a deep level improving our cultural intelligence and our ability to relate successfully with a wide variety of difference

offers insights and techniques for developing cross cultural understanding and team work the book examines the psychology of stereotyping and mistrust and explores methods for breaking down attitude barriers it also contains team building and training e
