have you ever listened to a preacher bring a sermon on the pre tribulation rapture how wonderful it will be when we are all caught up with jesus just before everything breaks loose here on earth what about the one that is preached on how and why the sabbath was changed to sunday and give a list of reasons none of them found in the bible then there is tithing they make sure to let us know we demonstrate our obedience through paying our tithing and giving back to god yahweh and when we do not we can be cursed or not be blessed as we should we cannot forget the sermon on the gifts of god yahweh that are no longer for the church these and other doctrinal views are commonly preached in the main stream christian churches today they are based off opinion of men and are often argued with verses from the bible that have been taken out of context it is interesting that the evangelical churches today claim to take and read the bible literally they claim every word to be the inerrant word of god yahweh many of them treat the bible as god yahweh yet there is not a verse that can be found that says the sabbath was changed to a sunday that the saints will be raptured before the tribulation or the church is to pay tithing nowhere will you find the holy spirit only gives just some of the gifts on the list to believers today

the gnostic revival of the enlightenment witnessed the erection of what could be called the kantian rift an epistemological barrier between external reality and the mind of the percipient arbitrarily proclaimed by german philosopher immanuel kant this barrier rendered the world as a terra incognita suddenly the world out there was deemed imperceptible and unknowable in addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and god swiftly evaporated the way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the divine collectively these surrogates could be referred to as the beyond because they epistemologically and ontologically overwhelm humanity in recent years the beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world in turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government
